(1) La liste des supports présentés dans ce document est susceptible d'évoluer dans le temps et ne constitue pas une annexe financière. Pour plus d'informations, veuillez vous rapprocher de votre Conseiller.

Pour plus d'informations, veuillez-vous référer au Document d'Informations Clés pour l'Investisseur, disponible auprès de votre Conseiller. ORADEA VIE ne s'engage que sur le nombre d'unités de compte mais pas sur leur valeur. En effet, cette dernière, qui reflète la valeur des actifs sous-jacents, est sujette à des fluctuations à la hausse comme à la baisse dépendant en particulier de l'évolution des marchés financiers. Ces fluctuations peuvent ainsi entraîner un risque de perte en capital. Les performances passées ne préjugent pas des performances futures.

La performance nette de l'actif (A-B) est arrêtée au 31/12/2021.

La performance finale (A-B-C) s'entend hors frais sur versement ou arbitrage.

Les frais de gestion de l'actif (B) sont arrêtés au dernier exercice clos, lequel n'est pas nécessairement au 31/12/2021. Ils correspondent aux frais indiqués dans le Document d'Informations Clés pour l'Investisseur.

Les frais de gestion de l'actif sont prélevés par le gestionnaire d'actifs. La quotité de rétrocessions de commissions est incluse dans les frais de gestion de l'actif (B) et correspond à la partie reversée à l'assureur.

Par la suite l'assureur en reverse à son tour une partie au distributeur.

Les frais de gestion du contrat (C) présentés correspondent au maximum contractuel. Ces frais sont prélevés par l'assureur.

Ces frais diminuent le montant de votre épargne et ont une incidence sur le rendement de votre investissement au fil du temps.

Ces performances ne préjugent en aucun cas des performances des années à venir.
